High School Impresses Freshmen

Many new faces appeared at Bryan Adams on August 23. Freshmen, along with other new school members, devoted this day to explore their new school, and to learn about various organizations.

After a welcome from Mr. Richardson and the cheerleaders, students were entertained by a performance of the Bryan Adams Cougar Band and Belles.

Excitement filled the air as they were released to roam the halls and discover their classes. After a period in homerooms, students were encouraged to go to the lunchroom for refreshments and introductions to various clubs.

FIRST DAY

5

First Day Brings Excitement

Many new faces appeared roaming around the halls on August 27, 1979. Some of the students were transferred from other high school areas, but most were incoming freshmen experiencing their first day at Bryan Adams High School. These new ninth graders encountered such things as massive traffic jams by the lunchroom, overly crowded "B" lunch, the winding and confusing halls, "elevator tickets", and much more confusion which added to the hectic day. Most of the morning was spent in Homeroom class while students completed information records for the office. Schedules for the new year were distributed, but many corrections were made to establish lunches, early dismissals and other desires of the students.

1. Lunchroom opens for another exciting year.
2. Ledith Blair studies the map to find her classes.
3. Peter Beverage and Ronny Martin exemplify confused freshmen.

EARLY MORNING

B.A. Before Dawn

Classes as well as other activities began long before the 8:25 bell. Many students were enrolled in 00 classes which were held at 7:25. Band and Belle members were seen on the practice field in curlers and sweats as early as 6:30 or 7:00 during football season. Cheerleaders, Spirits, C.C.'s, and H.R.'s were some of the organizations who met early on game days before the pep assemblies. Those students not involved in early morning clubs found the lunchroom an enjoyable place to do homework or socialize among their friends over breakfast.

2. Suzana Rajicic and Kaori Tanaka study their American lessons.

LUNCHROOM

Not Just For Lunch Any More

There are many attractions in the lunchroom, one of which is the Student Bookstore. In the store, run by the Student Council, students will find every school supply they need, plus a few things more — including a smiling face.

Other reasons for visiting the lunchroom vary from getting up on information from the bulletin board by the Bookstore, to gossiping over a hearty breakfast of donuts, early in the morning.

Lunchtime is always a favorite for students, as they use this time to relax, eat, and catch up on undone homework while they listen to music from the jukebox.

AFTER SCHOOL

Duties Continue After School

Much of the day remained after school was released. Many students had jobs awaiting them at fast food restaurants, gas stations, department stores, or other places in the area. Others used this time as a study hall. The library was available to students for checking out books, doing their homework, or working on a research paper. There were always the athletes practicing on the football field, tennis courts, in the gyms, or running the tracks after school. Other indications that school was out was the "mad dash" made towards the buses, the parents waiting to pick up the freshmen, and the awful traffic scene in front of the school.

1. Two B.A. students use a motorcycle for easier transportation.
2. The R.O.T.C. rifle corps practice in the Lingo lot after school.
3. Teresa Stock has "service with a smile" at CoCo's.

NIGHT LIFE

Bryan Adams After Dark

After the day's work is finished, at home, at school, or at a place of employment, students find time to relax and enjoy themselves in a variety of ways.

Many people, especially on weekends, take in movies, eat out at restaurants, or visit discos. For those who are short of money or simply prefer this sort of entertainment, a variety of sports can be played at night. For students who prefer to stay at home, getting together with friends is a popular entertainment.

For the major part of Bryan Adams' students, finding time for fun and relaxation is easy, finding time for work more difficult.

FADS

Fads Come And Go At B.A.

Fads are temporary fashions which usually do not stay "in" long; however, some fads become high fashions. Many new looks arrived this year. For girls, the fads included pleated skirts, big bulky sweaters, and baggy blue jeans. Temporary fashions for both guys and girls were such things as plaid flannel shirts, velour tops, the western look, and corduroy was a big hit, too. Several of these fads were also popular last year.

COTHURNUS PLAYHOUSE

Dream Into The 25th Century

Excitement arose on December 6th and 7th when students took a trip into the 25th century as they viewed "A Midsummer Night's Dream" by Bill Shakespeare. The complicated plot made the audience think as it involved romance mix-ups, marriage squabbles, and a play within a play. The cast wore buttons and did stunts in the lunchroom to promote the play. Fred Walters as Lysander and Suzie Gallia as Hermia led a cast of 22 members. With Grayce Clay as director, this year's "spacy play" was well performed by all of the cast members.

Tevye, played by Eric Dickerson, showed that tradition was an important part of the Jewish faith, as he stressed this fact to his daughters.

This year's musical was one of the most difficult ever performed at B.A. under the direction of Mr. Colton Erwin and Mrs. Grayce Clay. The stage setting completed by the stage crew, and an orchestra of fine musicians perfected this year's play to make it a hugh success.

After school practices usually lasted until dusk. The hard work and determination of the players, managers, and coaches resulted in a fine football season.

The B.A. scoring closed out in the fourth quarter with a 5-yard run by Ronnie Robinson.

BA Puts Out TJ's Lights

An unforgettable night at Forester Stadium left spectators and players with memories of a great 21-7 victory over Thomas Jefferson and a fifty minute blackout. After trailing in the first quarter, when the lights went out, the Cougars transferred two second quarter fumbles into scoring drives. A forty yard run by David Belcher set the ball on the one yard line, and Ronnie Robinson carried over the middle to clinch the victory.

The following week was not quite so memorable, as the BA defense suffered a great defeat at the massive hands of W. T. White. The Cougar offense could not put everything together and was never able to get past the Longhorn 34 yard line. This game brought BA to a record of 3-3 for the season, and 2-2 in district play.

The Cougars weren't as fortunate in the following game, as the Spruce Apaches won 14-6. "Hartwicks" Find New Home

Spirit was the driving force behind soccer at Bryan Adams. After winning district openers, the BA shutouts increased. According to Coach Bill Flagg, this year's team was well covered in all positions. Captained by Seniors Glen May, Kenneth Seipp, and Jeff Dickey, the soccer team was confident of success. Under the direction of Coach Michael Corley, the JV team showed great potential for success in the future. It is evident that the "Hartwick" quality lives in the Bryan Adams' soccer team.

SOCCER

Returning Champs

The Bryan Adams' Girls Soccer team played outstandingly this season. Under the coaching skills of Coach Pat Byrd and captains Becky Hill and Daphne Hoover, the girls practiced at least four days a week to improve their game skills. Mrs. Byrd said experience was the key to their success; because, for the past two years, the team has been the district 11-AAAA champions. Although the twenty-one member team consisted mainly of underclassmen, the Cougars were a victorious contender throughout the school year.

A Swinging Season

The late afternoon practice sessions started in November, but were often postponed because of the unusual rainy weather. The diamond men overcame this minor problem and soon began defeating their opponents. The pre-season opener was played against Skyline at Pleasant Grove, and B.A. easily won 3-2. The many upperclassmen helped their younger team members in any way possible to create a great team with much vitality and interest. Study Hall — Not An Ordinary Class

Study Hall proved to be one of the most popular classes again this year for students of all grades.

Many people enrolled in Study Hall to just get away from all of their solid subjects. It provided time for students to catch up on last minute homework, to sleep, and just relax. Many students were able to enjoy leisure reading.

The seven Work Programs at Bryan Adams offer students a chance to work while going to school. These various programs are VOE, DE, HECE, CVAE, ICT, ACT, and HOCT. These different classes were taught by teachers hoping to teach many different skills needed for the working world.

The Work Programs allowed students to attend school a half day while still having the rest of the day to work. This was good for the students having to work, and taught many business skills to those going or not going to college. The Work Programs were headed by department chairman, Jerry Clay.

FOREIGN EXCHANGE

New Students Learn Culture

Four students at Bryan Adams were not only learning such subjects as math and English, but they were also learning to adapt to a new culture.

Suzana Rajicic from Skopje, Yugoslavia, Kaori Tanaka from Kawashaki, Japan, and Dietrick meyer-Beeck from Germany arrived in the United States as part of the Foreign Exchange Program. They spend one year in the United States with American families to attend school here. MAKING THE ACTION

STUDENT COUNCIL

Council Leads Student Body

Meeting the needs of the student body proved to be the main function of the 79-80 Student Council. Committees were formed within the class itself with a coordinator leading each one. This year's coordinators were Stacy Bell, Kurt Fegraeus, Cindy Green, and Leticia Ibarra.

This leadership group handled the bookstore, student center, directory, calendar, juke box, marquee carnation sales, and the "Student Voice." It also sponsored the Homecoming and Sadie Hawkins dances. This year the Student Council was also elected the honor of acting as the District 3 Vice-President.

The officers that manage this hard-working group of students were President, Nancy Benners, Vice-President, Brian Odum, Secretary, Sara Ramos, and Treasurer, Kim Galetka. The sponsor was Mr. Bill Densmore.

The National Honor Society started early in planning a busy year for the 79-80 members. Even before school started, this year's president, Mark Secrest, attended the National Leadership Training Center, a week long seminar which was held in San Antonio last summer. This was the first time for Bryan Adams to send a student to this event. Many social events were added to the calendar of activities which contained supplying hosts and hostesses for college night and ushering Baccalaureate and Graduation.

The officers for this year were President, Mark Secrest; Vice-President, Leticia Ibarra; Secretary, Lynn Travis; and Treasurer Melinda Brinlee. The sponsors were Carolyn Nail, chairman, Francys Walls, Maurine Little, Peggy Leeman, Donna Bronaugh, Leslie Haralson, and Kirby Matlack.

BAND

Band Brings Spirit to B.A.

From Big "D" to the birthplace of jazz, the Cougar Band entertained thousands with its excitingly unique form of halftime entertainment. Texas' Premier Showband got an early start this year with four hour rehearsals daily throughout June. Returning August 6, the Band began work for the upcoming performance season with drills written by the drum majors and drill instructors as well as the directors. The school year saw daily seven-thirty rehearsals and several early rehearsals at Forester Field.

September 30 brought the pilgrimage to New Orleans, the heart of Dixieland and a fitting place for the jazz-styled qualities of the B.A.nd. The trip concluded with an excellent pre-game and halftime performance in the Superdome for the Saints-Giants game. Other activities included the U.I.L. Competition on November 5 and a performance for the National Association of Soft Drinks and International Exhibition on November 12.

The 79-80 Cougar Band was under the supervision of director Don Daniel and assistant director Mark Hoffman. The group was led on the field by head drum major Rusty Reid and assistant drum major Beth Davis. Drill instructors were Scott Wilder and Missa Murry.

Twirlers Add Sparkle

For the first time since its inception, the Bryan Adams Band was complimented by the talents of two featured twirlers — Dana Morrison and Susan Walker. Twirling together since the age of eight, the two girls were no strangers when it came to working with one another. Practice started for them two weeks prior to the Green and White Game and continued throughout football season lasting approximately two to three hours daily.

Dana and Susan, a past State Champion in the Soloist and Strut Competition, started off the year in June by taking part in the National Baton Twirling Association Competition in San Antonio. The two later competed in the University Interscholastic League Solo Competition on October 30th, another first for B.A. majorettes.

Combined with the efforts of the rest of the marching ensemble, the twirlers entertained many with their outstanding displays of baton expertise.

BELLES

Belles Spark in '80

The Bryan Adams Belles, synonymous with precision, spirit, and enthusiasm, lived up to their reputation in the 79-80 school year. A very dedicated group of 72, the "Pride of White Rock" began the year with summer practice on August 13, working four hours daily. With the start of school came seven o'clock rehearsals, pep assembly performances, outstanding support for the football team and, of course, halftime shows.

Along with the band, the Belles traveled to New Orleans to perform in the Superdome on September 30. Money was raised for the trip with candy sales. The group also took part in the University Interscholastic League Competiton on November 5 which combined with the above to form a very memorable year.

The Belles were led by Captain Karen Gildea, Co-Captain Kim Ridley, Lieutenant Cindy Green, and sponsor Nina Sparks.

Cheers Ignite Spirit

Due to the dedication of thirteen enthusiastic people, spirit at Bryan Adams was unparalleled this year. The 79-80 Cheerleaders and Mascot began work the second week of June, practicing twice a day for a total of four hours. Their hard efforts paid off during the N.C.A. summer workshop at S.M.U. on August sixth through tenth where the group won four superior ribbons, a spirit stick, and recognition as the Super Star Squad.

After school started, the cheerleaders practiced during first period and often after school to perfect the stunts, cheers, and skits which were so vital to our pep assemblies and football games. Fund raising projects included the sale of candy and stationery.

Combined with the efforts of sponsor Kelly Fortner, the cheerleaders roused outstanding support and spirit for the football games and other athletic games throughout the year.

This fourteen member group attended summer cheerleading camp at East Texas State University located in Commerce where they won a spirit stick the second night along with two superior, one excellent and three outstanding ribbons. They also won the spirit stick again on the last day of competition enabling them to bring it home.

This year's cheerleaders include: Barbara Bartlett, Beatrice Benavides, Kathy Cantu, Kathi Cox, Beth Greenoe, Nora Hadawi, Leslie Hubbard, Karen Kinard, LeeAnn Martin, Laurie Norris, Sharron O'Glee, Oona Sifuentes, Carrie Staton, and Gaylynn Winham. Their sponsor is Diane Allison.

One such activity was the Halloween Haunted House for the March of Dimes. The members set up a booth and admission was charged to be given to the March of Dimes.

The Key Club met every Tuesday and discussed plans for activities such as the state convention and the basketball game against the White Rock Kiwanis, their sponsor organization. They also listened to a speaker from Muscular Dystrophy Foundation.

COTHURNUS CLUB

Cothurnus Enlightens Students

The Cothurnus Playhouse expressed uniqueness and fine acting skills as they performed for the students. Acting is only a part of the many things that each member performs. Before the actual performance can take place many tasks must be finished. Rehearsals after rehearsals occur as the make-up and setting departments finish their jobs.

One of the many performances was "A Midsummer Night's Dream" held December 6 and 7. The play took place in the 25th century. Outstanding talent was expressed by all, those in front of the stage as well as those behind it.

The president of this fine club was Sara Anderson. The sponsor was Mrs. Grayce Clay.

The twenty-four members of Stagecraft took care of building scenery, getting props, running the lights, sound, and pinrail for almost everything that went on in the Bryan Adams auditorium. The crew was backstage running the show for PTA meetings, pep assemblies, musicals, contests, plays, and the Cothurnus Playhouse. The Stagecraft members were usually the first to arrive and the last to leave rehearsals and school productions and when the show was over, the actors received all of the credit for a terrific show.

Thespians Honored For Drama

Thespians get their name from a sixth century B.C. Greek poet. The members of Thespians are members of the Cothurnus Club who have gone over and above the responsibility of a Cothurnus member. After achieving a certain number of honor points, the students were accepted into this International Honor Society for drama students. Each honor point required ten hours of acting and working on or around the stage; and when the requirement of ten honor points was met, the Thespian honor points achieved after acceptance are then put on the diploma of the individual student in the form of bars and stripes.

This year's president was Melinda Brinlee, vice-president Mary Ann Russel, secretary Gail Oehler, and sponsor Grayce Clay.

MATH CLUB

Math Brings Challenge

The purpose of the Math Club was to bring students together who shared the common interest of mathematics. They participated in area math contests such as the Richardson Math Tournament and Dallas Baptist College competition. In order to defray some of their various expenses the club sold stick candy during the fall. Early in the school year, the club sponsored the Mu Alpha Theta induction for outstanding math students.

GERMAN CLUB

German Club Gets Involved

The German Club got an early start with such fund raising activities as selling pretzels and gingerbread men. Besides raising money the club celebrated their Christmas party in German style by singing traditional German Christmas carols and going on a neighborhood treasure hunt; even so, the highlight of the year for most club members has always been the state-wide convention where German Clubs from all over Texas met to have a good time sharing their knowledge of the German language or culture. This year the convention was held in San Antonio on March seventh and eighth.

The German Club officers for this year were: Becki Laurence, president; Kirt Arnim, vice-president; Martha Whitington, secretary; Greg Hasche, treasurer; and Ms. Barbara Fry, sponsor.

Preparation began early in the year for the various competitions which began December first with the Area Convention at which B.A. took 14 awards. With the help of the Hearts-O-Gram sales for Valentine's Day, the group traveled to the University of Texas at Austin for the State Junior Classical League Convention on March 14 and 15. The Latin Club also took part in the DISD Foreign Language Olympics in the spring.

TUTORING

Tutoring Benefits Students

The Tutoring Lab continued to be an advantage to both the students who received help and the tutors. Tutoring Lab is an enjoyable option from a firmly guarded Study Hall where talking is not permitted. In tutoring the tutors received one credit per quarter as long as a student or students were tutored for a minimum amount of time. Pleasant conversation was allowed if kept down to a moderate roar. Also, the student being helped benefitted by having someone to assist him in his subject which poses a problem in his studies; students came to be tutored on alternating days to allow the tutor time for his own studying.

SENIOR PUB

K.P.U.B. On The Air In '80

With a radio station theme and a projected publication date of May 1, this year's Pub Staff began work February 5 to produce a Senior Pub that would surpass all the others before it by exposing as many funny and embarrassing facts about the class of 80 as possible. Collecting tips throughout the month of February the staff worked diligently to discover a little humorous information on every senior at Bryan Adams. Weekly deadlines demanded the constant attention of each of the eighty seniors on the staff whose efforts culminated in the final deadline February 29. The 1980 Senior Pub was released in May to a student body who proved anxious to read about the secret lives of the soon-to-be graduates and who made this year's publication a great success.

EL C STAFF

Making It . . . El C 80

The 79-80 El C Staff — synonomous with craziness, debates, anxiety, hard work, and fun — is proud to bring you the 1980 El Conquistador.

Plans for this year's annual began months ago with the Journalism Workshop at Southern Methodist University in July. There, combined ideas became rough sketches, dreams became expectations, and twenty-six students became a yearbook staff.

El C 80 worked vigorously early in the year selling advertisements to help finance the book. Promotion campaigns included numerous announcements and posters as well as a Hawaiian Tourist Day to further draw attention to the cause. A typical sixth period in Room 231 saw the staff cropping pictures, writing copy, discussing headlines and captions, or at least thinking about it!

Between the months of August and February, the El Conquistador Staff, with the unfaltering support of sponsor Kathie Bowley, met a total of five enormous deadlines and produced the Bryan Adams Yearbook 1980.

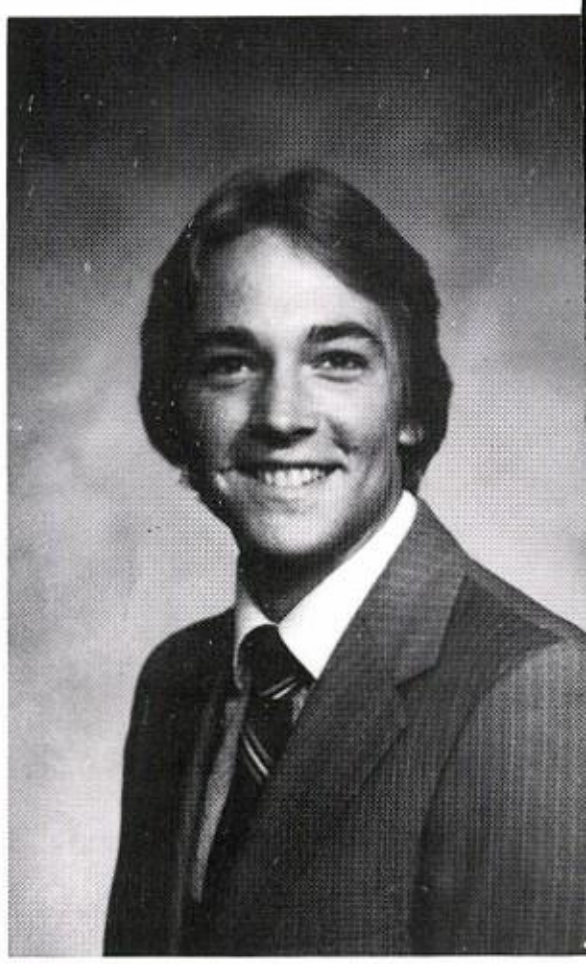
Tony was a member of the football team for four years and his determination was rewarded when he was made Captain in his senior year and was selected as a member of the All-City Academic Football Team. Tony was also involved in the Varsity track team in his junior year.

Tony's achievements were not limited to sports. Tony also participated in the Honors Program, the National Honor Society, and the Spanish Honor Society.

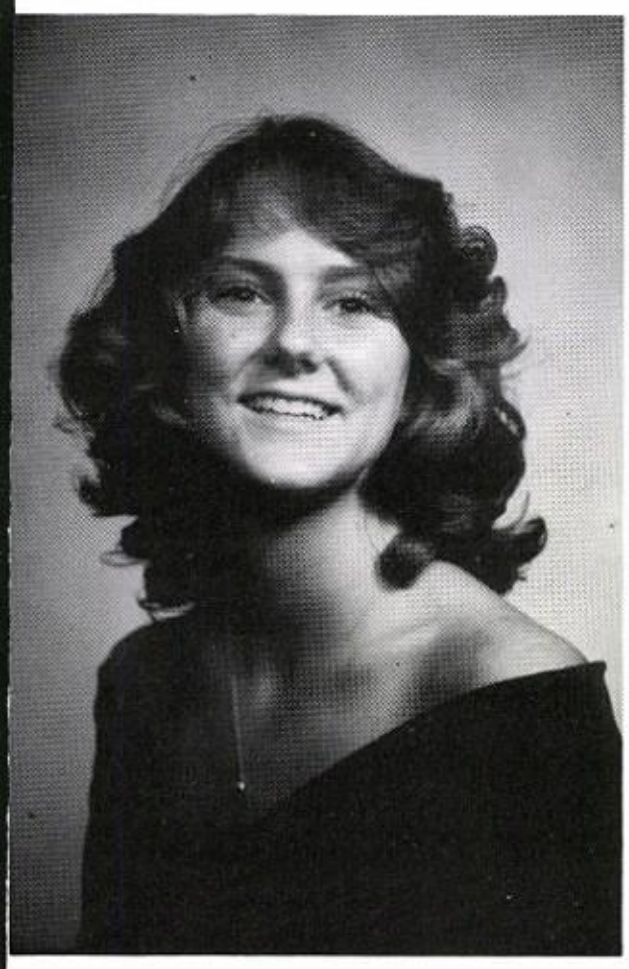
Other activities of this outstanding student were Key Club, F.C.A., Senior Council, Pub Staff, Spanish Club, the D.I.S.D. textbook committee and the Student Council where he was a very active leader.

Tony has been honored by being named as a Who's Who Among American High School Students and he was awarded the American Legion Award. The El Conquistador adds their congratulations by saluting this outstanding student.



EL C SALUTES

Beth Lancaster



Beth Lancaster participated in many activities during her four years at Bryan Adams. Beth was in Spirits during her freshman year and she was a J.V. Yell Leader in her sophomore year. Beth went on to be a two-year Belle where she was a most active member.

Beth was also outstanding academically. She participated in the Honors Program for four years and was a member of the National Honor Society.

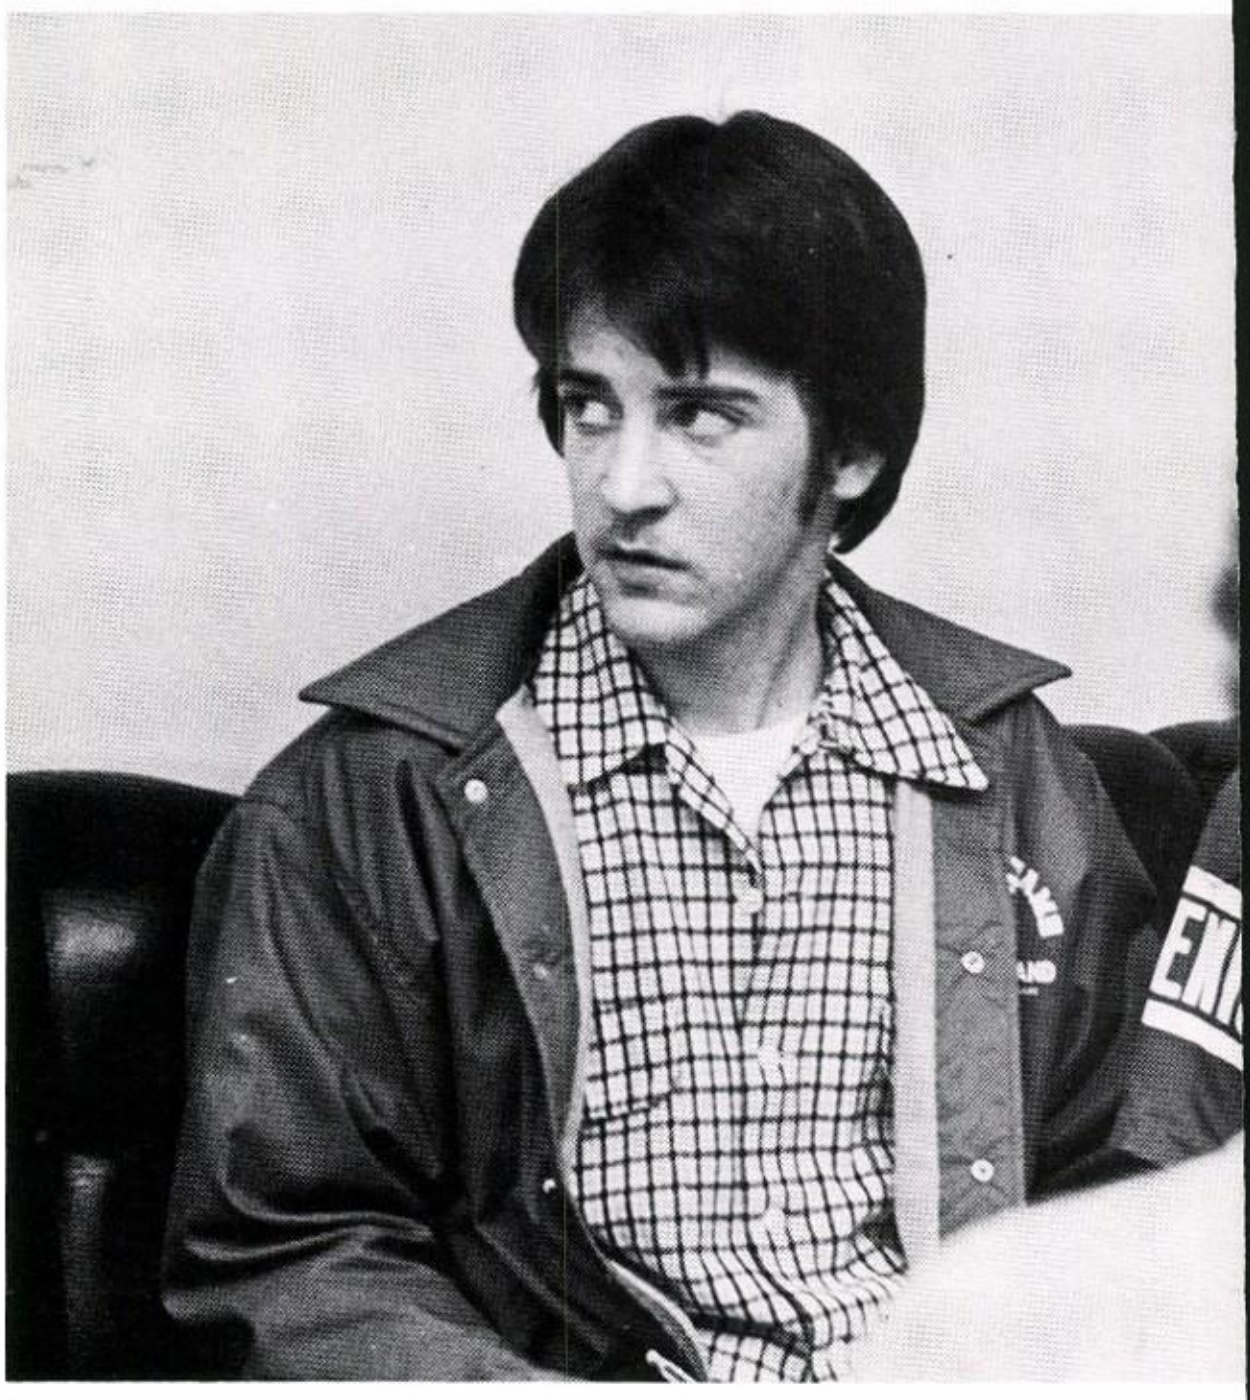
Student Council and Concert Choir were two more activities in which Beth was involved. She was also in the Chamber Choir and New Edition Singers.

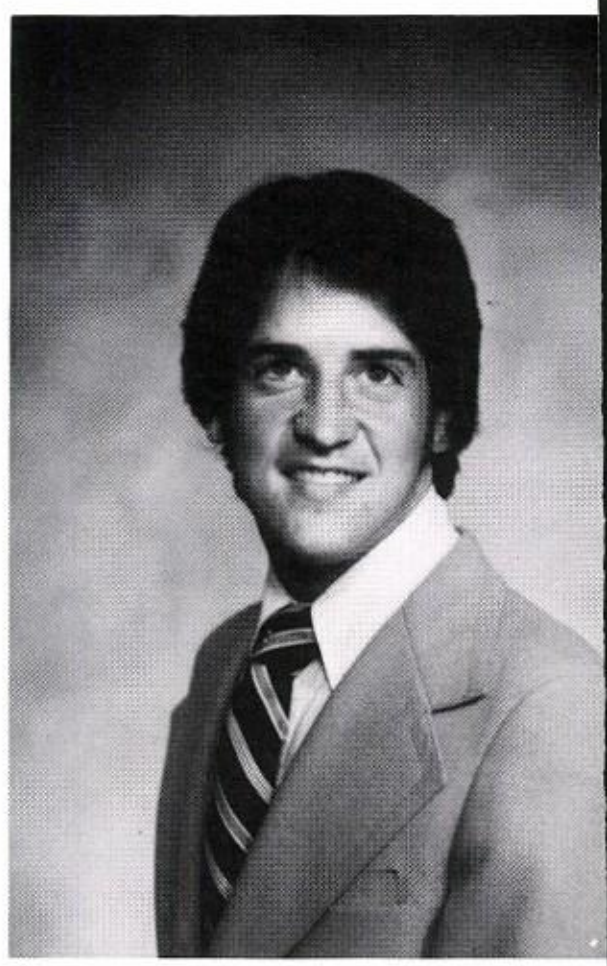
Beth also participated in the French Club, Senior Council, Young Life, and was an R.O.T.C. Sponsor in her Senior year.

With all these activities it is clear why the El C salutes Beth Lancaster.

EL C SALUTES

Brian Odum



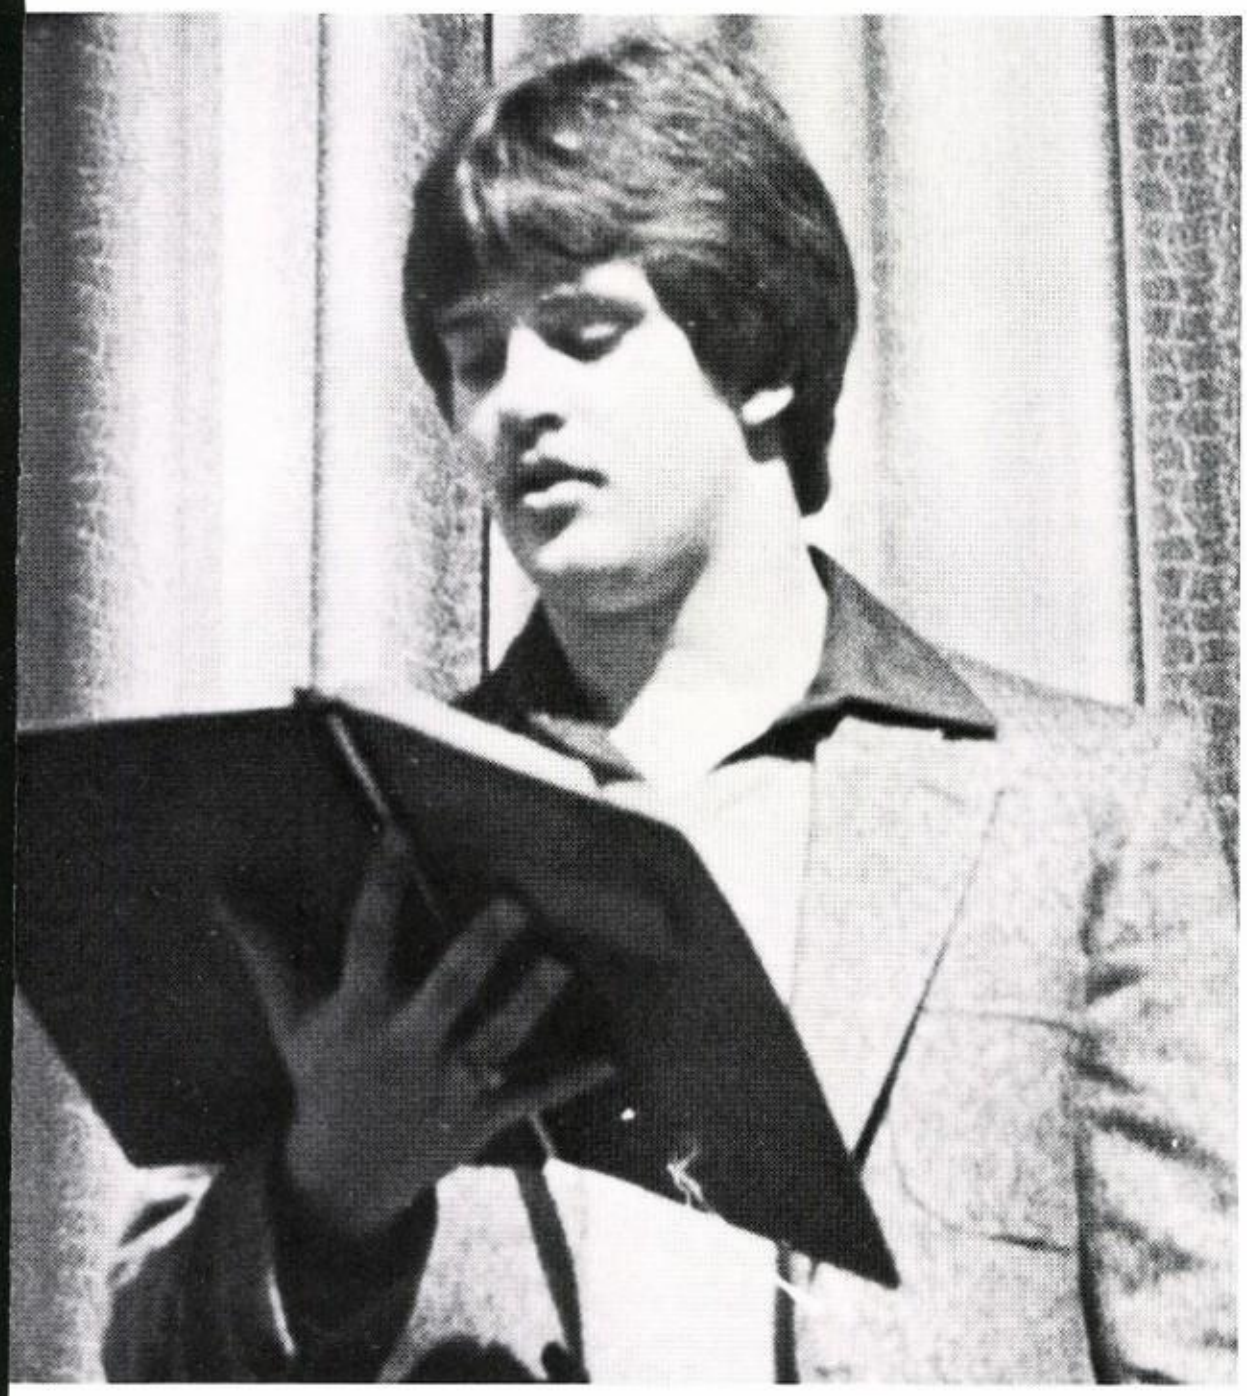


Versatility is the word which best describes Brian Odum. As a most active member of the Student Council, Brian proved his leadership ability by successfully holding the office of Vice-President in his senior year.

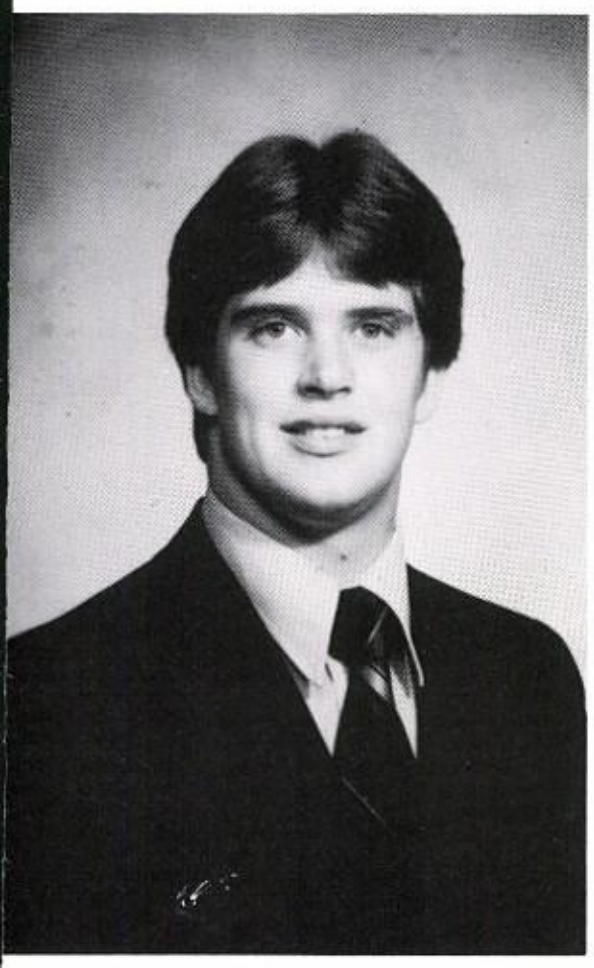
Another important activity in Brian's life was the Bryan Adams Band. Brian was a member for four years and he once again demonstrated his leadership ability be being chosen to be a section leader in his senior year.

Brian also participated in the French Club as a Board member, Senior Council as Co-Chairman of the Senior Assembly, N.F.L., the Honors Program, Life Leadership, and was a semi-finalist in the essay competition of the National Association of English teachers.

Brian's overwhelming achievements in many areas at Bryan Adams gives the El Conquistador a chance to proudly salute this outstanding achiever.



Eric Dickerson



Involvement was the key word to Eric Dickerson's four years at Bryan Adams. Eric participated in many ways at Bryan Adams.

Eric played football for both the J.V. and Varsity football teams at B.A. He was a member of the Concert Choir, Chamber Choir, New Edition Singers and participated in the Musical three years. As a member of the Cothurnus Club, Eric was business manager as well as a Thespian.

Eric also participated in the N.F.L. Talent Show, One Act Play, Senior Assembly Co-Chairman and the National Honor Society.

The El Conquistador is proud to salute Eric Dickerson.

EL C SALUTES

SENIOR COUNCIL

Successful Year For Seniors

The Senior Council worked hard to provide a memorable year for the Seniors of 1980. Such projects as the car wash, bake sale, Christmas Single's Dance, and selling stuffed animals raised money for Senior Activities such as the Prom, Senior Six Flags Day, and the All Night Party.

The Senior class elected as officers: President Tom Ives; Vice-President Keith Morrison; Secretary Kelli Nettle; and Treasurer Melinda Brinlee. Separate committees were formed to work on the Prom, Council projects, the Senior Assembly, Baccalaureate, Invitations, and Publicity, and chairmen were appointed. Sponsors Laura Winters, Barbara Carrell, Grayce Clay, and Jerry Clay worked with the Senior Council to produce a successful year.

Randy,
Even though you were never in government and you weren't talking to me (I realize that sentence didn't make sense) but I'll do my best to make sense - I'm a Senior!! Really, I think you are a funny & interesting guy. I wish you the best of luck in the years ahead - maybe we'll all see each other at our reunion! Be Good!

Love
Stacy
